# Introduction

## Purpose

The goal of this handbook is to support CMSA clubs in preparation for and throughout the registration process, as well as guide parents/caregivers when choosing a program for their youth athlete(s). This handbook includes important information such as the CMSA Program Calendar and League Structure, key messaging, and program goals across CMSA's programming to assist clubs in marketing and communicating the CMSA league offerings to parents and families.

## Language and Terminology

Language determines the culture we operate in, and if we want to develop an accessible and inclusive sport culture in Calgary, an emphasis on using appropriate language is key. We all play a role in promoting a consistent message to participants and families about the benefits of each competition model.

CMSA leagues and programming operate in a grassroots-sporting environment and there are no elite players or teams. Elite players are found on youth national teams and full-time professional programs. We currently do not operate in any of those environments or programs. Member-clubs should avoid using words such as elite, premier, select, etc. in communications and program marketing.

## Team Entry

Teams are entered at the CMSA Team Entry Deadline. Clubs review tiering with CMSA before the group format schedules are produced. There will be an opportunity in May to facilitate team swaps between divisions should teams be misplaced. These details will be provided directly to the clubs.

## Overview of Key League Changes

- ✓ Outdoor 2024 League
  - All tiers will be completed no later than July 31, 2024
- ✓ Provincial qualification will occur through League Standings and Challenge Cup
  - Tier I – III – League Winner + Challenge Cup Winner (if this team is the same, League Runner Up will qualify for Provincials)
  - Tier IV – League Winner + League Runner Up
- ✓ Challenge Cup – U13+ All Tiers
  - Top 4 teams in League will participate in Challenge Cup
- ✓ Fall Series (Optional)
  - Details to follow.

# Standards for Quality Soccer

Canada Soccer’s [Standards for Quality Soccer \(SQS\)](#) is designed to outline the minimum expectations of member organizations in Canada. It is expected that all member organizations provide a developmentally appropriate, safe, enjoyable, accessible, inclusive, and welcoming playing environment for their participants, which differentiates it from non-member soccer and unorganized play. To be considered as a quality soccer provider, member organizations must also be in good standing with their governing organization(s) and meet the expectations of membership.

## Standards for Quality Soccer

**All CMSA Member Clubs must complete their club licensing to an SQS level by December 31, 2023. Failure to do so will place your membership in jeopardy.** Should your club require assistance with club licensing and have questions, please contact:

- Jordan Stewart, CMSA Technical Manger – [jstewart@calgaryminorsoccer.com](mailto:jstewart@calgaryminorsoccer.com)
- Melissa Collinson, CMSA Member & Operations Manager – [mcollinson@calgaryminorsoccer.com](mailto:mcollinson@calgaryminorsoccer.com)

# CMSA Program Fees

The CMSA per player fee covers program costs such as facilities, referees, and administration.

For parents: Club registration fees are set independently by each club and cover the specific costs of their program. This could include program related expenses like technical training, practices, facilities, administration, etc. The CMSA per player fee is included in each club's registration fee.

# CMSA Grassroots League U7 – U9

## Goals of the CMSA Grassroots League

**CMSA's Grassroots League** is modelled after national and international best practices and [Canada Soccer Grassroots Standards](#). The league strives to provide children with a developmentally appropriate playing environment that allows expression, creativity, and development to flourish. Match Day provides players with more time on the field, more time on the ball, and flexible matchups through an open roster system.

This league encourages mixed-ability (balanced) groupings prioritizing social relationships as the basis of Match Day groups. This allows players to move between groups as required to ensure that each participant has a positive and developmentally appropriate match environment. The CMSA Grassroots League prioritizes enjoyment, so players want to come back next week and more importantly, for many seasons to come!

### Meaningful Matches

Ensuring all players have a positive experience in soccer

### Consistent Match Days & Times

Allows families to plan their schedules in advance

### Centralized Locations

Quadrant-based play to limit travel time for families

### Child-first Approach

Encouraging activity, supporting the individual players development

## Program Terminology

When speaking to parents and other stakeholders, and in promoting your club's grassroots programming, CMSA recommends using words such as accessible, family-friendly, fun, safe, developmentally appropriate, and best-practice or research-based. # CMSA's U10 and U11 League

## About the Developmental Plus+ and Developmental Programming

CMSA's **U10 and U11 League** has a 'Developmental Plus+' and 'Developmental' stream. Both streams offer a quality experience for players and their families. *Neither stream is purely based on ability, but on the needs, interests, and motivations of the child. The determining factors in evaluating whether to place groups in the "Developmental Plus+" or "Developmental" streams are the length of the season and the proximity of their matches. "Developmental Plus+" will play in a city-wide division and have a longer, split season. "Developmental" will have regionalized play with a shorter season.* In this player-first model, clubs are encouraged to evaluate players based on their levels of interest and commitment in soccer and utilize social relationships (friendships) as a key factor in forming teams.

CMSA advocates for equal playing time for all players and to try all positions on the pitch. No scores or standings are kept in the Developmental Plus+ or Developmental stream.

### Development Plus+ Stream

This stream is appropriate for players and families interested in:

#### Soccer as their primary activity

For players who LOVE soccer, are very interested & likely to participate year-round

#### Longer Season, City-Wide

For players looking for a longer season and are comfortable with city-wide play

#### More activity each week

For players looking for increased play/training opportunities within their club environment

### Development Stream

This stream is appropriate for players and families interested in:

#### A variety of sports or activities

For players who may be multi-sport, have a variety of different interests/commitments, looking for 'part-time soccer'

#### Shorter Season, Quadrant-based

For players looking for a shorter season and want games closer to home

#### Less activity each week

For players looking for less soccer activity to make time for other interests/family time

# CMSA's U12 and U13 League

## Goals of the U12 and U13 League

CMSA's league offering for the **U12 and U13 League** aims to have quality programming for youth at all ages, stages of development, and interest/commitment levels. CMSA welcomes experienced and novice players into any of our clubs to continue or begin their soccer journey. Our U12 and U13 leagues operate in alignment with [Long-Term Player Development \(LTPD\) Standards](#) and would be a part of Stage 3 – Learn to Train (U12) and Stage 7 – Soccer for Life (U13 – Community and Competitive).

CMSA advocates for equitable playing time for all players regardless of Tier in these ages. A balance of skill level and commitment should be considered when tiering players. CMSA recommends the following considerations to ensure that players and families are placed in the appropriate program:

### Tier I and Tier II Considerations

#### More developed players

For players who are more developed and experienced in the game of soccer

#### Year-round soccer participation

For players who are more likely to play year-round and/or have soccer as their primary activity

#### Increased weekly commitment\*

For families committed to 3 or more soccer activities each week (training and a match)

### Tier III and Tier IV Considerations

#### More entry-level players

For recreational players and/or players who are entering the sport for the first time

#### Seasonal or multi-sport athletes

For multi-sport athletes interested in seasonal participation or a variety of activities

#### Decreased weekly commitment\*

For families committed to less than 3 soccer activities each week (training and a match)

*\*Typical commitment level, will vary from Club-to-Club*

# CMSA's U14 – U19 League

## Goals of the CMSA U14 – U19 League

CMSA's league offering for **U14 - U19** includes quality programming for youth at all ages, stages of development, and interest/commitment levels. CMSA welcomes experienced and novice players into any of our clubs to continue or begin their soccer journey. Our U14-U19 leagues operate in alignment with [Long-Term Player Development \(LTPD\) Standards](#) and would be a part of Stage 7 - Community and Competitive.

CMSA advocates for equitable playing time for all players regardless of Tier in these ages. A balance of skill level and commitment should be considered when tiering players. CMSA recommends the following considerations to ensure that players and families are placed accordingly:

### Tier I and Tier II Considerations

#### More developed players

For players who are more developed and experienced in the game of soccer

#### Year-round soccer participation

For players who are more likely to play year-round and/or have soccer as their primary activity

#### Increased weekly commitment\*

For families committed to 3 or more soccer activities each week (training and a match)

### Tier III and Tier IV Considerations

#### More entry-level players

For recreational players and/or players who are entering the sport for the first time

#### Seasonal or multi-sport athletes

For multi-sport athletes interested in seasonal participation or a variety of activities

#### Decreased weekly commitment\*

For families committed to less than 3 soccer activities each week (training and a match)

*\*Typical commitment level, will vary from Club-to-Club*

# Team Naming Criteria

## Team Entry Naming

CMSA has implemented Team Naming Criteria for clubs to name their teams when entering the league. This criterion will allow CMSA to accurately keep track of teams season over the season and to help differentiate teams with similar or same names.

If your team's name does not comply with the below criteria, CMSA will change your team's name to display on the CMSA website to fit the criteria.

### Criteria

1. Club Name
  - a. Full name or acronym is acceptable
2. Team Name
  - a. Must have at least more than 3 characters differentiating it from other teams in your club
  - b. Male and female teams cannot share the same name
  - c. Fun, creative names are encouraged, but not required
3. Birth Year
  - a. In the format "06"
  - b. This is to assist with divisions in multi-year age groups
  - c. Use the oldest birth year that players are born in

### Acceptable Name Examples

- EMFC United 08
- Calgary Rangers Athletics
- 07 CMSA Unicorns 13

### Unacceptable Name Examples

- NWU FC – this is acceptable for 1 team, but not all team names in your club
- NSD B17 C – this age group changes yearly, a birth year does not
- CMSA FC 06 & CMSA SC 06 – more than three letters need to be different to avoid confusion
